COMPENSATION - INSTRUCTIONS

This chart requests specific compensation information for each employee in your organization. Use one line for **each employee**. If you have multiple employees with the same job title, please include a line for each employee, listing each individual's salary, not an average of every employee in that job position. Make extra copies of the chart as needed.

Column 1 Job Code

Enter the three-digit code for the job that you are reporting (for example, Executive Director is 005). A list of all job codes with job descriptions can be found on the **Job Descriptions** worksheet of this file. Note: These job codes are the same as those used in the 2020 survey with the addition of several new job this year, which appear in red type.

Column 2 Position Title

Enter the title **your organization** uses for this job. It is okay if this title is different than the job title we use for the survey (see FairPay2021.JobList.pdf and FairPay2021.JobDescriptions.pdf).

Column 3 Pay Rate as of January 1, 2021

Enter the actual pay rate for the employee as of January 1, 2021.

For full-time employees, you may enter either an annual rate or an hourly rate.

For part-time employees, please enter an **hourly** rate. If you need help calculating the hourly rate, please email us at survey@nonprofitcomp.com and we will help.

Column 4 Eligible for Bonus or Incentive Pay

If the employee in this position is **eligible for** any type of incentive or bonus pay in addition to the regular base salary, enter "Y" (regardless of whether the employee actually received bonus or incentive pay).

If the employee is not eligible, enter "N."

Column 5 Bonus or Incentive Pay Paid During Past Twelve Months

Complete this column only if the employee was eligible for incentive or bonus pay. If the employee was paid any type of bonus or incentive pay during the past twelve months, enter that amount here. Otherwise enter a zero.

Column 6 Number of Full-Time Equivalent Employees Managed (Direct and Indirect)

Enter the number of employees supervised by this position, **directly and indirectly**. For example, for the Executive Director position, list the total number of full-time equivalent employees of the organization. Do **not** include contractors or volunteers supervised by this employee.

Column 7 County Location of Job if Different from Organization's Main Location

Use this column only if the job is located in a county other than the main administrative location of your organization.
